MKR	45	TAGGART MARKER	WK8	240	WEST KY No.8
MKT	25	MIDDLE KITTANNING	WK9	230	WEST KY No.9

If bed numbers are identical, then coalbeds are identical.  
 For example, Van Lear(44) is equivalent to Upper Elkhorn #3(44).  
 Coalbed numbers increase with depth.  
 Blank cells or 'UNK' means that no bedcode has been reported.
