

**Sandstone,
Pikeville
Formation
Knox County,
Mountain and
Creek Bottom
Region**

**Sandstone in the
Pikeville Form-
ation intrudes on
the landscape in
the rugged hills of
eastern Knox
County, arching
over Acorn Fork
Road (top right)
and lying in
massive boulders
on a hillside along
Ky. 718 (below
right).**

**Photos by Dan
Carey, Kentucky
Geological
Survey.**
