

Eastern Kentucky Coal Field: The Land, the People, and the Resources

Contents

The Land

Topography

- Ridge and Valley—Mountain and Creek Bottom
- Rolling Terrain—Cumberland Plateau Region
- Cumberland Valley—Pine Mountain
- Cumberland Escarpment
- Elevation—Eastern Coal Field Region
 - Coal Train, Harlan County

Geology

- Mountain and Creek Bottom Geology
 - Sandstone
 - Calcareous Sandstone
 - Puncheon Camp Creek
- Cumberland Escarpment Geology
 - Sandstone Arches
 - Carter Caves
- Cumberland Plateau Geology
 - Red and Green Shales
- Pine Mountain Geology

Manmade Landscape

- Mountaintop Removal
- Post Mine Land Uses
 - Reclamation for Residential/Commercial
 - Reclamation for Wildlife
 - Reclamation for Development

Construction Hazards

- Flooding
 - Construction in Floodplains
 - Relocation Out of Floodplains
 - Flood Protection Levees
 - Flow Diversion—Pikeville Cut-Through
 - Pikeville, 1974
- Road Construction
 - Roads on Shale
 - Pavement Failure
- Landslides and Slope Stability
 - Construction on Slopes
 - Construction on Shale
 - Mine Subsidence
 - Mine Blowout

Farmland

- Alluvial Valley—Northern Cumberland Plateau
- Alluvial Valley—Mountain and Creek Bottom

Preservation and the Natural World

- Bad Branch Nature Preserve
- Wetlands
- Kudzu
- Wildlife
 - Butterflies
 - Butterfly and Thistle, Pine Mountain
 - Lizard
- Butcher Hollow

- Historic Salyersville
- Iron Furnaces
- Fitchburg Furnace

The People

Communities

- Population Change
- Population Density
- Mobility
- Percent of Population Under 18
- Percent of Population 65 or older
- Ethnic Diversity

Economy

- Median Household Income
- Unemployment
- Poverty
- Government Employment
- Federal Government Expenditures
- Per Capita Federal Government Expenditures

Education

- High School Graduates
- Union College
- College Graduates

The Resources

Recreation and Tourism

- Recreational Lakes
 - Carr Fork Lake
 - Dewey Lake
 - Panbowl Lake
- Nature's Playground
- The Breaks
- Recreation

Coal

- 2006 Coal Production
- Mined Areas
- Surface Mining
- Auger Mining

Oil Production

Natural Gas Production

Timber

Industry

Limestone

Water

- Public Water Supply Reservoirs
- Water Supply from Streams
- Public Water Distribution
- Groundwater
- Water Wells
- Public Sewer
- Wastewater Treatment
- Goose Creek
