

(DEEP RUN)
5454 II NW

KINSTON 19 KM

12°30'

SEVEN SPRINGS 7.5'

LN-T-3-84

MEMO.

DATE: 11/8/84

TO: DAN CATON

SUBJECT: LOG COPIES
LN-T-3-84

Enclosed are gamma and electric log copies for the Deep Run Water System observation well located near Moss Hill School, Lenoir County.

Please note that the gamma log is approx. 2' off and the electric is about 5.5' off. (Since the errors is (are) probably bunched together at various intervals due to cable slipping, recalibration of the log depths would have been erroneous in itself.)

Sincerely,
John Nicholson

North Carolina Department of Natural Resources & Community Development
