

6-13-83

questioned P. Brown on
why there are 2 different sets
of logs. According to him the
well was logged by 2 different
people. Magette + C. Underwood.

SA-P-1-67

Mary Huspeni

Hole was first Drilled + logged to ^{10/16/85}
320' on 5/18/67 by Carolina Well &
Pump Co.

on 9/12/68, Magette Well Co. deepened
the hole to 427' (Bsmt @ 350') +
logged it.
