OWNER: James C. Lee

DRILLER: Sydnor Pump & Well Co.

COUNTY: Page (Cavetown)

VDMR # 722 WWCR # 68

TOTAL DEPTH : 225 feet

GEOLOGIC LOG

0-48 Overburden - quartz and fine yellowish brown clayey silt

48-190 As above

190-219 No sample (top of bedrock in this interval)

219-225 Shale - light gray, clayey, fairly hard

Grab Sample Clay - yellowish brown

GEOLOGIC SUMMARY

AGE ROCK UNIT

Cambrian Rome formation

Virginia Division of Mineral Resources Laurence H. Gardner II - Geologist January 31, 1963
